

Pendulum Construction CC

You Dream it, We'll Build it

COMPANY PROFILE

Pendulum Construction is a registered company and proud member of the Master Builders Association (MBA), which strives for the highest standards in the building industry. We are also registered with the NHBRC (National Home Builders Registration Council) and the Construction Industry Development Board.

Pendulum was born in 2005 from the desire to live a dream; a dream to provide a service through integrity and honesty towards building satisfied long-term relations. Members of Pendulum have been in the industry since 2000.

At Pendulum Construction we pride ourselves on quality of service. Our innovative spirit, combined with extensive expertise and experience, add value to the property of our customers. Apart from the qualified building staff, we also have qualified electrical engineers in our employ.

We are an SME that provides exceptional service to both the private and corporate sectors. We currently have a BBBEE level 1

We at Pendulum Construction are client orientated and we pride ourselves on offering a quality and reliable service. Our services are offered to both small and medium sized clients within the private and corporate sectors throughout Gauteng.

Being a locally owned business, we can give special attention to details in the construction techniques of your project. We have the resources, expertise and quality management skills to successfully handle your building and civil projects with the special care and attention you expect from a service orientated business.

We have undertaken numerous residential projects ranging from up market residences to minor renovations/additions as well as low cost housing. We have also performed services within the demolition and civil construction arena. The quality of our work speaks for itself and we are proud to be able to provide references once we have established a relationship.

We are not a high production, subcontracting organization. We at Pendulum are quality conscious and are committed to our work to the point of it being our own home. We will assist you in your selections thereby allowing you to customize your home to suit your personality.

In an industry filled with fly-by-night operators, Pendulum stands head and shoulders on par with some of the best. Our professional team is dedicated to quality and proper building standards and codes of practice.

Our Promise to You

- 1. We at Pendulum Construction realize that the purchase or upgrade of your home is probably one of the largest financial commitment you will ever make. For this reason, we strive to make your building requirements as enjoyable as possible. We will work with you from the start to the finish of your construction, as our greatest desire is your complete satisfaction.***
- 2. We accurately measure each project to determine the true extent of work required; our pricing is based on proper bills of quantities with a reasonable mark-up, so you won't be in for any unpleasant surprises.***
- 3. In the ever-changing building and construction industry of today, one thing remains constant "THE QUALITY, RELIABILITY AND EXCELLENCE OF PENDULUM CONSTRUCTION"***

When choosing a construction firm to undertake your project make sure you choose a dedicated, committed and professional team. Finding a reliable and punctual contractor who takes pride in his or her work often appears impossible but contractors possessing these characteristics do exist. The key words to find such a contractor are "Pendulum Construction"
